

OUR MISSION

On the Rocks is dedicated to being Historic Downtown Florence's own neighborhood bar and grill. In the tradition of Old World and Early American Pubs, we believe in building a sense of community by providing a warm, inviting atmosphere where family and friends can gather together, eat a fine meal, and share a drink or two. To that end, we are committed to bringing you the highest quality in service, foods, spirits, and live entertainment.

THANK YOU FOR BEING OUR GUEST.
